

## ***My Accounts On-line Enroll today***

Dakota West Credit Union's My Accounts On-line provides real-time access to your accounts anywhere, any time.

The wide range of on-line tools are specifically designed to meet the needs of our members.

On-line access allows you to choose when, where and how you manage your accounts at your own convenience!

*www.dakotawestcu.com*

Our login process provides integrated tools to combat against on-line fraud. It is intended to provide you with the best security possible, using more than one method of verification. This process deters phishing, pharming, key logging and brute force attacks as well as providing real-time monitoring and alerting of Internet traffic and member activities.

Please be advised that Joint Owners can view account information.

## ***Enrollment Instructions***

### **First Time Users:**
